There seems to be no G.O. standing order on the subject. The practice, it is said, varies according to Judges and times. The District Magistrate himself cites instances in which his Court Hall was not used by the Sessions Judge. Dr. Kolar, Mr Paramaswara Iyer and Bhoga combe in the Travellers Bungalow and sometimes in tents. The District Judge's telegram itself shows clearly that there was no "fixed practice" to support his claim. If he had any G.O. on the subject, surely he would have referred to it.

8) It is surprising that two Officers of the Status could not have settled this matter in a more Considerate Manner. Since this present occasion has been served, we may decide the question in more Satisfactory lines.

9) What is the practice in Tumkur, Hassan, Kolar, Chikmagalur? If the Dist. Magte. has to vacate his office for 10 or 15 days at a time, it will cause him inconvenience of course. When there is no other place, perhaps it would be inevitable - But if there is, there seems to be no harm in holding Sessions elsewhere.

Sir,

Referring to the telegram
submitted by me today, I have
the honor to state that the Sessions
Court used to be held here in
the District Magistrate's Court hall
when I arrived here last August
the Deputy Commissioner's Shanbhoga

-bb

12)
told me that he had been
directed not to place that hall
at my disposal for holding
Court today. That the present
Sessions would begin today was
communicated to the District
Magistrate more than two months
ago, and he has not like now
informed me of what prevented
him from Conforming to the
long established practice. He is him
self not here now and is holding
Jamalpur Court near Hotal there.
To avoid trouble and inconvenience
to the parties and witnesses con-
cerned in today's Case, I tried
the Case in the travellers' bungalow
which is not at all suited for the
purpose. On December 19 14
the Court in the Town Hall,
though that is also unsuited
for holding Court, as a Special
Case, as the District Magistrate
had

had previously Communicated that he wanted his Court hall for purposes of the District Board and Economic Conference meetings.

2. I think that from every point of view the District magistrate's Court hall is the fittest place for holding the Sessions Court, and I think it ought to have been placed at my disposal for the purposes as usual.

3 I have the honor to request that Government may be pleased to issue the necessary orders in the matter as soon as possible. I have addressed the Chief Court also in the matter.

I have the honor to be

Sir,

Adverting to your letter No: J 3010/Cts dated the 6th March 1915, I am directed to state that the District Magistrates of Tumkur, Kolar, Hassan and Chickmagalur report that it has generally been the practice to place their court hall at the disposal of the Sessions Judge for the periodical Sessions. The District Magistrate of Kolar adds that Sessions Judge Mr. Plumer holds sessions sittings in his court hall while the former sessions Judge Mr. Paramasiva Iyer used to hold his court in the travellers' bungalow. The District Magistrate of Tumkur also adds that his court hall is made available for holding sessions as far as possible unless the Deputy Commissioner requires it for his work and is unable to spare it. As for the selection of a place for holding Sessions, the Judges are of opinion that the best plan would be to hold the marginally noted
